

SPRAY PARKS

Social Distancing Requirements

YES

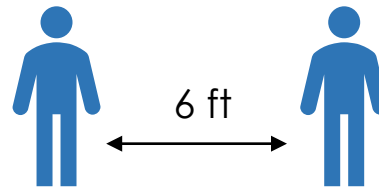

Plan ahead before you leave home. Bring hand sanitizer, water and towels. Face coverings are recommended.

Wash your hands and shower after returning home following the exposure to the splash park.

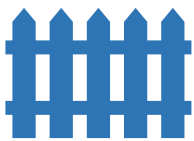

Wear water shoes when playing in the splash parks and practice good hygiene.

Maintain a minimum of **six feet of physical distancing** with people you do not live with.

NO

Refrain from touching items with your bare hand such as gates, fences or spray spouts. Use hand sanitizer following touching.

Do not sit on or touch any benches or chairs. We encourage bringing your own seating while supervising children.

Do not engage in physical contact with other park users.

The above items are a combination of requirement of the revised Sacramento County Health Order issued on June 12, 2020 and best practices recommendations from the CDC.
