Message FROM GENERAL MANAGER

Cordova Recreation & Park District (CRPD) is excited to celebrate our 65th Anniversary this year! We remain committed to providing extraordinary customer service and are proud to be serving District residents including Gold River, Larchmont, Mather, Rancho Cordova, Riviera East and Rosemont since 1958.

This comprehensive Recreation Guide is one way that helps us serve you better. You will find a diverse and wide range of sport and leisure activities, children's enrichment programs, special events and a park guide to locate CRPD parks and facilities to serve your recreation and social needs. These recreational opportunities enhance the quality of life for our community.

This time of year is perfect to join team sports like Jr. NBA Basketball or NFL Youth Flag Football. You can also take a leisure class like Tai Chi or Country Line Dance to stay healthy while meeting new people with similar interests. We are always looking for new opportunities and unique, fun programs to offer our residents of all ages. If you have an idea about an activity you would like us to offer, please feel free to reach out and share your thoughts with our recreation staff or by emailing us at customerservice@crpd.com.

It is an honor to serve our community with these enrichment opportunities and award winning parks.

Thank you for your support and participation!

Patrick Larkin, General Manager

GOLF CLINICS

First Tee Junior Clinics

With Jack Rovane, PGA

As a proud member of the First Tee of Greater Sacramento, we offer Junior Golf Clinics to both novice and experienced young golfers. Instruction focuses on golf fundamentals, promotes positive self-esteem, sportsmanship and healthy habits. Golfers are introduced to the First Tee Nine Core Values, which represent some of the many inherently positive values connected to the game of golf.

These are incorporated throughout the program and parents are encouraged to reinforce these behaviors outside the course. Our PGA Professional Instructor, Jack Rovane, and his staff are passionate about the game and excited to teach a new generation of golfers.

OPTIMIZED PLAN

An Optimized Plan is a strategic planning document that provides guidance over the next 10+ years. It studies the existing parks and recreation facilities and programs to identify a planning blueprint for making CRPD's current recreation and park offerings as perfect, effective, or functional as possible into the future.

A forward-thinking Optimized Plan will provide a long-term vision for CRPD as well as specific policies and standards to direct day-to-day decisions. It will set forth a framework that will allow CRPD to respond to new opportunities as they arise, to outline a process for continued improvement, and to ensure that adequate parks and recreation facilities meet the needs of current and future residents.
